Dr. Sternberg Returns to the Radio on Friday, April 1st, 9:00 a.m., WVOX 1460AM

I've been privileged to be invited to a Westchester landmark, WVOX 1460AM radio in New Rochelle. The radio show has been a platform for community and national views for 53 years under the tutelage of a very well known defender of the First Amendment, William O'Shaughnessy. Mr. O'Shaughnessy has interviewed some of the most prominent and interesting people in our society.

The show that I will be on from 9:00 - 9:30 a.m. at this point, will be entitled "Politics and Your Health". I'm going to cover a range of subjects involving healthcare and some of the issues we face as a society ranging from dental issues right up to what's happening on the national stage.

Your on-air calls during my live show will be welcomed at 914-636-0110. The signal may not get to all of you since it's coming from New Rochelle but you will be able to listen live to the show at 9:00 a.m. if you use your cell phone or computer and enter www.WVOX.com There is a LISTEN LIVE button on the WVOX Home Page in the upper right corner.

As always, your feedback and contributions to my shows in the past have been greatly valued.

Sincerely,
Victor M. Sternberg, D.M.D.
